Dr. Gordon C. Marten
USDA-ARS
Department of Agronomy
University of Minnesota
St. Paul, MN 55108

Dear Gordon:

Enclosed is some preliminary information for you to distribute to your NIR committee (schedule of meetings, preregistration form, lodging reservation form, and Transwestern airline schedule). You might include some of the additional suggestions I am giving to my WRCC-48 committee (copy enclosed). I believe this includes all of the immediate concerns.

The revised schedule includes all the input received from WRCC-48, Dr. Templeton, and my telephone conversations with you. We have added a banquet with entertainment for Wednesday evening. The banquet is optional. A small registration fee is necessary to cover local expenses such as conference room arrangements, refreshments for breaks, and local travel.

Let me know if you need additional information. It has been a pleasure coordinating our meetings with you.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Paul".

Paul V. Fannesbeck, Chairman
NAHQ Planning Committee
