Mr. David Wetzel, Chairman
5th IDRC Conference
Kansas State University
Shellenberger Hall
Manhattan, Kansas 66506

Dear Mr. Wetzel:

It was a pleasure talking with you Monday regarding the 5th IDRC Conference to be held at Wilson College the week of August 12, 1990.

I have enclosed floor plans for Laird Hall and the Science Center with room dimensions included. A campus map is also attached to help you plan location of your events. Nearer the time, I will send floor plans of the residence hall to you or Bill Hruschka (whichever) for making housing assignments.

Mr. McKee has provided information about the air conditioning unit in the Science Center Auditorium which is also enclosed. If you have questions regarding it, please feel free to contact him directly at (717) 264-4141 X376. Any other concerns or questions can be addressed to me.

I look forward to working with you and having IDRC return to campus.

Sincerely,

Kathy
Lehman

Alan McKee is the maintenance supervisor. He is the one who arranges for tables, chairs, extension cords, slide projectors and overhead projectors. I have two 100 ft. extension cords at home which Bob Taylor purchased for the last conference. I will bring them with me. *Tom*
